### Description

Los mapas de carreteras de la colección Zoom se caracterizan por la gran precisión que aporta su escala detallada, especialmente adaptada para zonas muy turísticas o con una red viaria de alta densidad, incluyendo las nuevas urbanizaciones y zonas industriales. A la claridad, fiabilidad y actualización, características presentes en toda la cartografía Michelin, se le suma una gran cantidad de informaciones prácticas: lugares y monumentos de interés turístico, recorridos pintorescos, zonas para la práctica de deportes y actividades de ocio, ..., además de unos útiles planos de ciudades y un práctico índice de localidades. El Mapa Zoom Black Forest, Alsace, Rhine Valley, editado a escala 1/200 000, presenta la leyenda en dos idiomas (francés e inglés), contiene lugares de interés y señalización de pistas para bicicletas y vías verdes.
